Requesting Your Appraiser Email Address

We need your individual email address. SFREP is moving away from using customer IDs to register our products. Instead, Appraise-It accounts will use the individual appraiser's email address. Your company email address that we have on file will continue to be our primary mode of communication.

Take a moment and send any appraiser's email address that we may not have to sales@sfrep.com.

We will never transfer, sell, or share any of your data to third party services, companies, or government agencies unless compelled to do so by law. We are committed to keeping your email address and personal information confidential.

Reminder:

- When looking for a new or unfamiliar form, use the search option found on your Report Types page. Enter all or a portion of the form name, number or date.
- For your convenience, install and use Appraise-It and Appraise-It Pro on all your computers at no additional charge.
